Dear Mr. Mikolajczyk
Please accept my compliments for the role your band "Mama's Stew" played during the Third Annual Music in the Park Festival in Washington Park, hosted by the Dunellen Band Parent Association on August 20, 2011.

You generosity allowed the Dunellen Marching and Jazz Bands to hold their outdoor festival and perform for the public alongside professionals such as Mama's Stew. Your years of experience in the music industry showed in the exciting performance given by your band. Your willingness to groom and mentor our young musicians is rarely seen in today's fast paced music industry. Very few working bands would give up a pay day and allow the use of their sound system to make this festival a reality.

Please thank fellow band members Mike Krizan, Chris Marchant and Bob Barnard for their giving their time and energy. Your good deed will pay off in a big way.

Thank you for giving your time.

Sincerely,

Sharon Stewart
President
Dunellen Band Parent Association
